Bare Minimum Requirements

These requirements must be satisfied before any points are awarded. Failing to meet these requirements will result in a zero (0) grade.

1. A discussion post containing a link to the student's reflection video

Topic	%	Excellent (100%)	Good (75%)	Fair (30%)	Poor (0%)
Talking Points					
Discuss how you think functions are helpful to programming.	20	The question/point is addressed, and the response is: 1. Meaningful 2. Relevant 3. Thoughtful	One of the points from the previous list is lacking.	Two of the points from the previous list are lacking.	Question/point is not addressed, or not in a way that shows it is taken seriously.
What did you find most difficult about this week?	20				
Show an example of a conditional statement and walk us through it. It must be entirely original and different than anything you've encountered in the couse or online.	30				
Professionalism					
Delivery					
Completeness	10	All required questions/prompts or talking points have been addressed.		Missing one question/prompt or talking point.	Missing two or more questions/prompts or talking points.
Investment	10	Presentation is well thought out, coherent, and includes personal relevance.	Presentation is impersonal or disconnected.		Little to no forethought, personalization, or relevance.
Your course Professionalism grade is affected by your Investment grade.
